Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance. The prior art of record taken alone and in combination does not disclose "an ultrasonic transmitting and receiving apparatus comprising reception control means for performing reception focusing processing on plural detection signals obtained based on ultrasonic waves received by said plural ultrasonic transducers so as to generate sound ray data representing ultrasonic information relating to said at least one sound ray direction, storage means for storing plural kinds of filter coefficients related to plural sound ray directions, respectively, and filter processing means for performing filter processing on the sound ray data generated by said reception control means by using filter coefficients related to said at least one sound ray direction in which transmission and reception have been performed from among said plural kinds of filter coefficients" recited in claim 1. These limitations are neither taught nor made obvious by the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
